Join us for Lunch at The Inn At Spanish Bay™

- **100% invisible**
- **Clear, natural sound**
- **No daily hassles**
- **No batteries to change**

Lyric is the world's only 100% invisible, extended-wear hearing device you can wear 24/7 for months at a time.†

Invisible

Revolutionary design allows Lyric™ to sit invisibly in the ear canal, out of sight and out of mind.

Clear, natural sound

Captures sound naturally even in noisy background situations so you hear everything that counts.

† Individual replacement needs may vary. Duration of device battery life varies by patient and is subject to individual ear conditions.
†† Lyric is water resistant, not waterproof, and should not be completely submerged under water.

How Lyric works

Lyric is placed comfortably close to the ear drum.

The placement of Lyric enables the ear to capture sound and funnel it toward the ear drum organically, just as it would without a hearing device.

As a result, Lyric is able to offer pure, natural sound quality and improved hearing in noisy background situations.

Lyric

OK to wear

- ✓ During exercise
- ✓ In the shower††
- ✓ While sleeping
